Unfotunately, we can't guarantee that any of our food is 100% allergen free.

Our talented cook can't be in two places at once, so there's risk of cross-contamination with allergens, especially with milk as we use lots of dairy cheese. If you, or anyone with you today has a food allergy, please feel free to speak to our team and we will do our best to confirm everything with you and provide you with an allergen guide to help you make an informed choice before you choose to dine with us.
